## PHYSICIAN ASSISTANT CONSENT

#### Initials

This facility has on staff Certified Physician Assistants (PA-C) to assist in the delivery of orthopedic medical care. I acknowledge a Physician Assistant is not a physician. "Supervision" does NOT require constant physical presence of the supervising physician, but rather overseeing and accepting responsibility for the medical services provided. A list of services may be provided that are within the scope of practice for a PA-C upon request. I hereby acknowledge the above information and consent to the services of a Certified PA for my health care needs. I understand that at any given time I can request to see the Physician instead of the PA-C.

## PROOF AND CHANGE OF INSURANCE
